Thread: [\[TUT\] Get Double \\$ | Returning Customers](#)

Fatality - April 18, 2011, 6:48 pm

I just got into ewhoring a month ago and I love it. I have been doing well by myself now and have even come up with my own method to get pedos to pay for two shows. Its really easy!

Getting Started:

I am not going to tell you how to get your pedo because there are plenty of tutorials on that. Basically, just go on chat-avenue.

Follow these guides if you need more help:

The good thing about this method is that you can use two different videos with different girls. Most of us do not have two different videos of the same girl, so how do we give returning customers another show without them noticing that it is the same thing they saw last time? Its really easy actually!

Requirements: Two different cam videos of different girls

The Method:

Once we give the pedo one cam show we are going to ask if he liked it. He will probably say yes and just keep a conversation going for a while. Then ask if he would like to tip you or buy another show. Tell him that the next show is going to be run by your 21 yr old sister who is really good with a dildo.

Here is a conversation I'm making up:

Me: That was it did you like it?

Pedo: Yea thanks!

Me: Np I'm glad you enjoyed it! <3

Me: If I was one of the best cam shows youve seen feel free to tip me ;)

Pedo: I will think about it

Me: Oh and also are you interested in another show? My 21 yr old sister wants to do this one if thats ok with you. Shes pretty good with a dildo lol

Pedo: Sounds good can I see your sister? Give Preview and he will probably buy

I honestly did not know how to explain it that well as I just came up with it today and have only used it once. The one time I used it it worked though. This is great for when you have someone who wants another show but you dont have a different video of the same girl. I hope you guys like this and please comment if it worked!

You never told me about this method sorry... And I didnt see it anywhere else.

I just posted the links in a random order ;)

I remember I asked you if you got returning customers and you just said you had two different videos. Thats all you said to me but maybe you told someone else this.

BTW I still havent received my refund from the MSP!

nice and can you help me with e-whoring, as every pedo i get asks for a preview, i give 2 pics, and then they sign off... and i have NO idea what i am doing wrong, could you help me out?

Your slaves must have down syndrome if they believe this. But I have seen so much stupidity. Some guy paid for a half hour show.. I showed him a 10 min vid said my cam disconnected.. Then he emailed me and paid for phone sex.. Told him I had work I'd ring him later.. When I woke up he sent me more money asking for another cam show and if he could meet up.. DUMBASS!

You should say you will but need more gas money. I bet he would send some more.

It sounds so dumb, but it works. I seriously wonder how these people think. Along with 'gas money' I have another favourite word. I've had about 5 slaves pay my 'rent' ?

Show them yourself on cam and say you are not going to show anything in the preview because you have to pay for that. Pictures dont work as much.

As for stupidity, this is actually believable but yes the pedos are EXTREMELY stupid. Some of the things they have done have no reasonable explanation.
