And what are you doing to these "users"?

And how large is this wing size?

Fastshot - April 19, 2011, 1:39 pm

I'd quite like to get under this wing actually, fancy showing me said wing so I can go under it?

Ninjury - April 19, 2011, 4:28 pm

Raoul Duke - April 19, 2011, 4:46 pm

Hi, what can you learn to me? And what requirement are you asking from people under your wing?
