You'll earn the most money if you set your ads to Intermission, also it uses a p2p based system so more users = more clicks = more money for everyone. The view increaser also works for youtube views.

Kn1gh7 - April 23, 2011, 3:25 pm

Flowz - April 23, 2011, 3:26 pm

You add your link-bucks or other website links that give you money for every hit and when other people view your links using the program you earn money.

Huh, out of the 6 people who use AdFlicker, 2 of them (me and you) are members of HF.

Weiirdd :P

OT:

I used this bot before, unless they have updated it, you'll get banned immediately.

I'm using ADFlicker now, but in like 20 hours, i've gotten like 4 clicks on my link...

Well if i had "Credits" then that would help alot.

I can't do surveys. It's impossible. I've gone through endless guides and tutorials on how to do them and yet, it doesn't allow me to do it.

sern45 - May 29, 2013, 8:26 am

stone123 - June 26, 2013, 11:48 am

can u please send me the program thank u

Helroos 2 - June 26, 2013, 1:33 pm

It sells credits, and getting for free is hard.
While viewing your videos it clicks his-self his ads.

Not a nice program, half fake and not professional. Unlike.

dudethatsmyapple - June 26, 2013, 2:06 pm
