Thread: [HackForums iPod Touch Wallpapers \[Pack\]](#)

SLEDGE - April 24, 2011, 8:47 pm

Hey all! I Just made these 3 cool wallpapers for the ipod touch or iphone. If you need the images resized, then just ask. Please tell me how these are, as im somewhat new to graphics. More coming soon!

HackForums- Original Zane

[IMG]<http://img190.imageshack.us/img190/1851/hfiwallpaper1.png>[/IMG]

HackForums- Clean Toxic

[IMG]<http://img541.imageshack.us/img541/8996/hfiwallpaper3.png>[/IMG]

HackForums- Death Wonders

[IMG]<http://img94.imageshack.us/img94/8474/hfiwallpaper2.png>[/IMG]

TheNiceUb3r - April 24, 2011, 8:49 pm

The second and third suck I can not read then sorry the first is really good though

Active - April 24, 2011, 8:49 pm

Honestly I like the first one the most and its great , amazing job !

Mr. 9 - April 24, 2011, 8:50 pm

The first one looks sexy as hell dam Imao

Oh and just a suggestion you should make a wallpaper for each of the groups like a rats crew one a red lions one etc.

Grayson - April 24, 2011, 8:51 pm

Thank you for contributing to Hack Forums. :D

thank you. sorry about the other text. i didnt realize that it looked kind of hard to read :/

splashy - April 24, 2011, 8:52 pm

I like the first one. Keep up the good work man!

Mr. 9 - April 24, 2011, 8:54 pm

What is the sizing on this i may make a custom wallpaper myself ;)

Aero - April 24, 2011, 8:55 pm

I love the first one
I'm going to use it.

no problem, hackforums is hands down best site in the mofking world. Besides xvideos...but thats a diffrent story..

Kels™ - April 24, 2011, 9:01 pm

The 1st one is amazing. Work on the other two.

Hydrocodone - April 25, 2011, 2:10 pm

Im useing this for my ipad~! Its the first one btw

Pay. - April 25, 2011, 3:44 pm

how do you make this stuff could u teach me?

Phuziion - April 25, 2011, 5:21 pm

The red looks real cool. I like the colors you put it in. Dark red is sexy somtimes.

Dark red is sexy somtimes.
at least someone likes the other ones :) <3

Classicz - April 26, 2011, 12:40 am

I like the first one, the other two are... you know. Anyways nice share!

NarrowDioxin - April 26, 2011, 3:46 am

I would have to say that I love number one. I'll use it for my iPhone 4G. :)

'HK. - April 26, 2011, 4:45 am

The first one is clearly the best one ;)
Good job.

Barneyyz™ - April 26, 2011, 8:40 am

I like the first one best, good show!

Rin™ - *October 5, 2012, 8:25 pm*

The first one is the best love this
