Dante™ - April 25, 2011, 9:55 am

I just hit 100 posts and 14 rep and i was wondering how can i get the feather award ?

Azido - April 25, 2011, 9:56 am

Please fix the title :P

It looks like you have negative rep.

And congratz bro :D

The Stig - April 25, 2011, 9:57 am

Congratulations mate ;) To get the feather award, you have to make 100 HQ post on Omni's other forum supportforums.net

And then Pm Omni about it.

I read your title as 100 posts -14 rep,i was just about to say getting -14rep is no achivement. You need to make 100 posts on SUPPORTFORUMS.NET for the feather,not here

You must make 100 High Quality posts at SupportForums.net, it's another one of Omni's websites.

Congratulations!

EDIT: I sware I did not look at The Stig's post. We pretty much said the exact same thing.

I understand,thank's for your help guys!

For the feather, go to [Support Forums](#) and reach 100 post's. Please don't stop there though. That would be a very LQ thing to do.

Congratulation! For the feather awards, above post already told you what to do but I will give you some suggestion: When you PM Omni, try to get a little bit more then 100 posts. Like 120, HQ for sure. Stay also active.

Dante™ - April 25, 2011, 10:52 am

Now i have 23+ rep ,i'm slowly advancing :D

Lemonade - April 25, 2011, 11:27 am

Congrats on the rep bro. Good Luck getting the support feather.

Dante™ - April 25, 2011, 12:55 pm

Thank's ,i already started to make posts on that forum.

Teleport - April 25, 2011, 12:57 pm

Looks like you have 23 rep? Not 14

You're a LIAR.

Congratz though :)
