Thread: [Gamertag Giveaway Contest - 8 Good Gamertags to giveaway - l33ts and ub3rs only.](#)

Baws - April 26, 2011, 3:45 pm

Today i'll be starting my first contest of many to come, I have learnt a lot in the short amount of time i've been around from all of the high quality contributing members here on HF and hopefully these contests will be a way to give back to the community.

I'll be giving away the following gamertags;

Leaderboards
Schematic
Shortwave
Regions
Goose Bumps
Water World
Dodge Ball
Red Handed

I have assigned each of these gamertags a number, each l33r or ub3r to post will be assigned a number based on the the order of your post.

For instance the first person to post in this thread gets number 1, the second person gets number 2 etc, until 50 different people have posted. Once 50 people have posted i'll update the threads with the winning numbers and the winners, aswell as PM the login information to the winners.

Please only post in the thread once as it makes it harder to keep track of.

Good luck everyone!

Note: This will be one of many giveaway contests that i'll be holding, this is just a test contest, if this one goes well i'll be posting bigger and better contests giving away better and better gamertags, including spaced out tags and real original gamertags.

Need a few more people to enter this thread, might end it early since it is taking a long time.

frowneyface - April 28, 2011, 7:26 am

Could I please enter this contest too...Really cool gamertags. Id use Dodge ball as my main tag. My high school had a dodgeball tourney each year and me and my friends were 3 time champs out of the whole school. I really need this tag lol.

Baws - April 28, 2011, 7:46 am

I'm going to be ending this thread when I get home tonight as it doesn't look like i'll reach 50 posters any time soon.

That means there are good odds that each of you will win a gamertag.

Paul Walker - April 28, 2011, 7:56 am
