Thread: [\[TUT\] Facebook Stylish Themes \[TUT\]](#)

--((HACKER))-- - April 29, 2011, 5:19 am

Hello Guys, Today i'll show you how to get Facebook Stylish Theme.

First download the stylish addon to mozilla

<https://addons.mozilla.org/en-US/firefox/addon/stylish/>

Choose Facebook collection of layout from here,

<http://userstyles.org/styles/browse/facebook.com/all/popularity/desc/1>

It may be old but useful and better then chameleon tom :)

It will visible to others also...

Kigami - April 29, 2011, 10:35 am

Too bad we're the only one to see

yahya123 - April 29, 2011, 11:17 am

Its Old but great for those who dont remember or didnt know about it

dr2011 - April 29, 2011, 1:03 pm

The same style is available for many other websites too, so just browse through the link mentioned by the OP.

GreenEnergy - April 29, 2011, 1:06 pm

sweet will try it out
thanks

LeetzorHaxorz - April 29, 2011, 1:15 pm

Thanks for the share, and yes this is only visible to you.
