Thread: [Teach me how to spread - \(\\$50\)](#)

Cool story bro - April 29, 2011, 10:06 pm

If anyone can teach me a way to spread were i can actually get a decent amount, i will pay \$50

over teamviewer

PM me asap

my aim is hardtospellname

easy way to earn \$50

PLEASE

100Pn3t3t - April 29, 2011, 10:33 pm

i can help you with this if you want

Pm me

There are many tutorials and guides on how to spread. I wouldn't spend \$50 on learning how to spread. If you really want, you can get a decent amount of Installs or Updates with \$50.

lol, you wouldn't let me help you with anything.
all you let me do was to forward your ports/set up rat
not going to fight.
attempted to give you an install but you left tv.
<3
I don't hate people.
