That looks awesome. So you're not using a plugin or anything? Just photoshop?

+mK - May 1, 2011, 11:40 am

That's a very nice outcome for Photoshop 3D Modeling, nice! :o

Bacardi - May 1, 2011, 11:41 am

Looks awesome, thanks for sharing.

Going to give this a try real soon :D

Nice tut

but you could just use Cinema4d

Dimitrije - September 16, 2011, 11:06 am

Ofcourse you can but if you want to be ps master you must learn this, work only in photoshop :)

confuse - September 16, 2011, 11:42 am

That's a really nice outcome for that, I'll try it soon.
