Hi everyone pay attention to this M***er F**er because he scammed me stole my Megaupload account

I have tried to do a deal with him by doing a change.

Premium MU account with 2 years for USA RDP but this shit has scammed me by giving me non working RDPs

This is his Email : ihebxp@live.com

Pay Attention to this shit because its here in HackForums

this is the proof of my scammed MU account

Rong Forum Bro do you need help navigating the forum if you do i can help

Xycon - May 1, 2011, 12:22 pm

the screenshot doesnt proof shit

it just proofs u r logged into a 2 year account

but how can you login if ur so called scammed?

if this scam was real, u wouldnt be able to prive that screenshot
