Thread: [\(1,500+\) Fonts](#)

iTzL1GhTs0uT - May 3, 2011, 12:52 pm

Hello everyone. I found a font pack that i just wanted to post for all you photoshopers to enjoy. It has over 1500 fonts. Preview of some of the fonts below.

[img]http://vectorilla.com/wp-content/uploads/2009/12/fonts_pack.jpg[/img]

PM me for the link :D

Leave feedback once I send you it!

Minnesota Nice - May 3, 2011, 1:38 pm

Just saying, if you install all of them it takes forever to load your text tool.

iTzL1GhTs0uT - May 5, 2011, 12:15 pm

Capps - May 5, 2011, 10:06 pm

ill get the link, thanks!

Stenography - May 7, 2011, 7:38 am

Im not sure it will be good install them all , loading them will take MILENIUM.

GraemeK1234 - May 7, 2011, 10:39 am

Hey bro... hit me up with the link! Thanks a lot.

iTzL1GhTs0uT - June 8, 2011, 1:59 pm

Anybody else still need? Gave to whoever else PM'd me! :D

The Coder - June 12, 2011, 6:39 am

Can i get this please? Thanks :)

iTzL1GhTs0uT - June 12, 2011, 8:48 am

Sent it to all of the above ^ :)

im abcd - June 12, 2011, 10:15 am

Its gonna take forever to load but still send me the link . Thanks !

iTzL1GhTs0uT - June 12, 2011, 7:35 pm

Sent it to all of the above :) Enjoy everyone :)

Lex - June 12, 2011, 7:36 pm

Nice share! I would love to get my hands on this.

Going to PM you right now.

Thanks for this, and keep up the good work. ?

Warning: Only select a couple fonts you may be interested of, or else, the type tool in your graphics program will take forever to load.

- did it last week, fuck.

But this is a nice selection.

iTzL1GhTs0uT - June 13, 2011, 9:55 am

If you don't have it anymore then you should probably close this thread. If anybody else has it I'd like it.
