Want a great clean wallpaper with your name?

Download the psd, install the font and change it to your name!

Black Diamond - May 4, 2011, 2:20 am

Dig it, DLing now. Looks mad sick.

Zry0Pwn - May 4, 2011, 7:41 am

Thanks dude i will tweak with it and see what i can do :D

zLBannedLz Riots! - May 4, 2011, 7:44 am

Thi sis nice thanks man! Downloading now =]

magic3992 - May 5, 2011, 12:22 pm

It's awesome man!! Good job :)

Stenography - May 7, 2011, 7:41 am

nice !

I loved the text style.

You got more to share with us ?

I dont wnat this Picture lw nat to know how to make it my self that would be awesoem if you would show me how :D

TradeMark™ - December 8, 2011, 9:23 am

I think the design is pretty neat, but I really like the green glow with the text. It's quite easy, but I mean, sometimes the little things are what make the big differences. :D

alfredo34 - December 8, 2011, 2:46 pm

yeah nice, thnaks a lot buddie.

its just awesome
