Thread: [Thread removed twice now.](#)

Zero ? - May 5, 2011, 1:34 am

Okayy this is becoming a joke. I posted a thread 2 days ago with my Powerbot decryption source, it was removed because it was related to "RS" (Ummm?) now after pointing out about 10000 threads containing Powerbot based discussion and sales etc my thread was then restored. But now im back to square one, its gone.

If i can't get a strait cut answer from staff with either letting me have my thread or removed all the others im going to stop sharing and contributing.

Nuff said'

Good day,
