\$60 in a month? I'm sorry but that's hardly anything and I doubt anyone would want to buy a \$60/month eBook. This sounds like a waste of money to me.

eulfen - May 7, 2011, 7:54 am

I told you up to 60\$ - 200\$ a month. Just spend 20 minutes only one day per month.

You always can buy "Make 1000 USD by fucking doing nothing!" type e-book and get fucking nothing. 90% of e-books here are this type.

eulfen - May 7, 2011, 8:10 am

This is guide is one of the 10%. It's not any PTC site or some else bullshit. I tell you 100%.

tubby1 - May 8, 2011, 3:06 am

Does it involve running GomezPeer and wasting your mom's electricity?

eulfen - May 8, 2011, 3:52 am

It does not include it. It's that simple... All you have to do is to work 10-20 minutes ONE DAY PER MONTH! Not everyday! only one day in the month! Then you will see your money coming. That's not HYIP and not even a bit related. That's a legal method and fast.

High Definition - May 10, 2011, 8:22 am

Hello! My name is High Definition and I will be reviewing your E-Book today! Please keep in mind that this is my strict opinion on this E-Book and may vary depending on the reader. Let's begin!

=====

[img]http://chatspace.org.uk/impurity/images/1303083069.png[/img]

The E-book is well written but it do lack some information. The very first link in the E-book was broken[improperly formatted] which didn't made the E-book look good at the first sight. Some very heavy assumptions are also made by the author which may not be true in all cases.

[img]http://chatspace.org.uk/impurity/images/1303079490.png[/img]

Earning from this method could be easy as well as tough. You'll need to have a well established account on preferably a big forum to get something out of this. A verification process is required before you get accepted to this program after which very less work is required. Lack of images and some explanation made this E-book a bit tricky at the end part but still it will be very easy to use if required conditions are met.

[img]http://chatspace.org.uk/impurity/images/1303079674.png[/img]

It has a "just fine" layout since its a RTF document. There were no images which I feel was essentially required. The E-book was written in the same flow, it does not separate different parts.

[img]http://chatspace.org.uk/impurity/images/1303079549.png[/img]

There were serious flaws in the grammar used in the E-book. Spelling mistakes, missing punctuations and improper punctuation, all can be found in this E-book.

[img]http://chatspace.org.uk/impurity/images/1303079803.png[/img]

This method is very original and I haven't seen it anywhere else. Actually, it is indeed different from the regular sites used in monetizing.

[img]http://upit.cc/images/99eae7f1.png[/img]

1. You need to have a well established account on a big forum.
2. Heavy assumptions were made to estimate the earnings.

I would like to point out that this is not "do once in a month" method unless you're admin of the forum.

Overall a nice E-book if you can fulfill the requirement.

Good luck with sales!

[img]http://upit.cc/images/b53af33e.png[/img]

Quality of Information: The quality of information provided in the eBook is detailed. The author covers a lot of information in a decent layout. He is informative and keeps relatively to the point.

[img]http://upit.cc/images/4eefbcf6.png[/img]

Ease of Use: The method detailed is relatively easy to use. The author explains it well, but it takes quite a bit of application.

[img]http://upit.cc/images/3fe612b3.png[/img]

Layout: The layout of this eBook is average. The document is in a word format, but there are pictures included and the points are clearly separated.

[img]http://upit.cc/images/41dbdbf6.png[/img]

Grammar: The grammar throughout is pretty good. There are some punctuation errors, but nothing illegable.

[img]http://upit.cc/images/e959a3a3.png[/img]

Originality: The idea is not original but is targeting a slightly different usergroup than ones I have commonly come across.

=====

Notes: This guide is cheap but will take a bit of effort to make your money.

You'll earn more, I think. I think \$60 would be the minimum you would earn if you put half an hour for one day in. If you're willing to put half an hour per day in, I think you could earn \$400+ easily.
