INFO of the contest

Hey guys, this is my second XBL Gamertag giveaway, and this time I'm giving away the Gamertag NINETALES, it is a Semi because the I is an L, not an I, but it looks like Ninetales anyways.

If you don't know what a Ninetales is, take a look:

How to enter

All you have to do is post why do you think you deserve it, and if I like your answer I'll add you to one of the 7 spots for a chance to win the GT. At the end I'll choose the winner using Random.org and I'll post a screenshot of the winner number.

Spots left

- 1.deeprybka2020
- 2.lugia 4000
- 3.Blueprint
- 4.?nvy
- 5.marioguy
- 6.Manga.
- 7.[OPEN]

Good luck everyone!

Lugia - May 10, 2011, 1:29 pm

Well Im a pokemon lover. As you can see my name is lugia4000, my gamertag is InF3cTeD Lug1a and I have several usernames with lugia in it. I own Pokemon Ruby, Emerald and Gold.

I also own an action replay for gameboy advance to get myself celebi :)

Also, I pick 2.

BanditDev - May 10, 2011, 1:30 pm

I pick 3, I think I deserve it because I just bought an xbox and can't think of a good name for my GT.

Manga. - May 10, 2011, 1:37 pm

I actually want it because of its Naruto relation as that is his nickname. And I have seen every naruto episode to date twice and I'm up to date with the Manga. That's a lot of time on my hands ...

xD

Anyways I've never had a namechange and I think using this as a new account would be better as it would cost less. I can only buy in 20\$'s in terms of MS point.

oh and I guess my post count looks bad but I'm not quitting the forum anytime soon xD. I have a lot to learn from here, especially in coding.

Cool - May 10, 2011, 1:38 pm

Both will be added to the spots you have chosen. Also if someone doesn't choose one number by themselves (and I like their answer, of course) I'll just add them randomly to an open spot (:.

Good luck.

marioguy - May 10, 2011, 1:39 pm

I'll take 5, if I am deemed worthy :)

I don't watch Naruto but it seems like a good reason to have the GT, you have a very low post count but I'll make an exception this time.

Good luck.

Can i get the spot 7..??

Great contest bro

Kalvaxas - May 11, 2011, 12:29 pm

All right, I'll enter for real this time bud.

I would really like this gamertag because I love fire type pokemon.

Ninetales is a really cute pokemon. I've honestly always have had a thing for Pokemon, and I'm 16. I don't really like the new series though. Ninetales and Scyther are my two favorite pokemon of all time. I would really like to win this to show it off to my friends.

I would be more than greatful if you chose me bro! (:
