Introduction:

This crypter was officially made by me and Akolt in VB.Net. Since we left working on this crypter, I decided to make its source public. I don't want to source to be leeches that's why I uploaded it on sharecash. Please give credits if you use my source.

Note: Remove space between share and cash.

Damdomy - May 12, 2011, 10:37 am

Why sharecash -.-

Just put it on adfly :P

I cant download from \$hitCash >.<

sinEX - May 12, 2011, 10:40 am

Plz upload somewhere else I cannot download from shitchash :(

Modestep - May 12, 2011, 10:41 am

Is the crypter finished? And I cant download from shitcash

Sheikh. - May 12, 2011, 10:43 am

You made the layout yourself? Maybe credit the maker.

Coleak - May 12, 2011, 10:44 am

Why not just put noob protection.

Tempted to download and reupload on my server and give download link with noob protection....

Ganja420 - May 12, 2011, 10:58 am

ty god for spam downloaderr

TheBlackMarket - May 12, 2011, 1:13 pm

thanks for the share, looks nice.

Grieve™ - May 12, 2011, 1:45 pm

downlaoded it, looks like a copy of saddams source tbh :(

Hahahha, very nice idea, stop poor 9 year olds putting sharecash on everything!

.bLaZeD - May 12, 2011, 1:59 pm

Ahh, wouldn't a shitcash downloader be nice right now? Oh yeah, I have one. :P Thanks broseph.

sinEX - May 12, 2011, 2:23 pm

someone reupload on some other share web plz and send me in pm

Could u send me in pm how to download this source plz :)

RiperFish - May 12, 2011, 3:04 pm

everyone is leeching this days, no one is releasing he's own creations :).

richchip - May 12, 2011, 3:20 pm

Nice release helps alot!

regards,

.bLaZeD - May 12, 2011, 3:25 pm

Since this is all copy and paste, I see no reason for you to have shitcash link.

So, here. (cry moar about adf.ly)

Was just about to put a download link up, but I see you have, so I won't bother.

Integrity™ - May 12, 2011, 3:40 pm

\$hit Cash = Fail.

Upload somewhere else.

Mr.PhYsO - May 13, 2011, 1:07 am

I am in good mode so i'll be removing shitcash link.

Exodus-) - May 13, 2011, 3:13 am

Hmm looks nice.. Will try this later :D

FUCKADMIN1 - July 4, 2011, 2:34 am

hi mate the crypt button wont work did u finish the crypter or what happen ??

Dally180 - July 4, 2011, 3:31 am

This looks really nice, thanks for the source.

AntOneSan - July 4, 2011, 5:21 am

... Uh , I think this doesn't work... Or I just do a bad manipulation U_u. It's an open source project? Anyone can modify and re-upload ?

The Unknown - July 4, 2011, 6:38 am

wait bro, is is FUD ? or u used some kind f precoded source ?

Banks? - July 4, 2011, 7:47 am

It is based off of iKrypter's source I believe.

Banz - July 4, 2011, 10:04 am

it just got leech procetion :P

pm me if you want to get the crypt button to work
