marvinn - May 14, 2011, 2:01 am

Hey,
after the feedback they have give me I edited for them so It's not that "horrible brown" but gray with blue accents..

Tell me what you think!

Pm for the link and say what version you use [VS 2010 or VS 2008]!

Alright, im tired of the pms so here is the link..

Looks amazing, can you please Send me the Link ? just pmed you

Silent. - May 14, 2011, 2:08 am

Oh my god! i love it! do you have it for VB2010? if yes, could you PM me please.

Thanks a lot.

elmedoc - May 14, 2011, 2:24 am

It's a cool theme ! i use VB2010.

Could you PM please ?

Thanks,

Mr.PHYsO - May 14, 2011, 2:28 am

Looking awesome brother might use this :).

deHackerOwnz - May 14, 2011, 5:58 am

Hey there,

I've not posted enough to send a PM, but could you please give me the link for the download?

I've been after something like this for a while now.

Thanks in advance,

~deHackerOwnz~

TwilightSpurkle - May 14, 2011, 6:11 am

Could you PM please ?

Thanks,

soft2050 - May 14, 2011, 7:32 am

Love that separator

Theme looks very nice and clean

Divine Will - May 14, 2011, 8:49 am

I dont need a link I just wanted to post to say that this is a giant improvement :) I didnt post in your other thread but I did see the other brown one you did... it was good but just the colors were odd lol.

N3oNight - May 14, 2011, 10:38 am

Grate job man..sent you a pm...

DEN1AL - May 14, 2011, 10:59 am

Looks pretty good, I want something like it for C# :\

Kotei - May 14, 2011, 11:05 am

You need to fix the Combo Box, it doesn't go over the edge of the form, so if you have a lot of options, you can only pick the first few.

(May 14, 2011 10:59 AM)Duttie Wrote: [\[CITE\]](#) Looks pretty good, I want something like it for C# :\
Port it into a DLL, then import it in a c# app.

.Astro - May 14, 2011, 11:11 am

Loving your themes bro!

Keep it up~

Solowestside - May 14, 2011, 11:12 am

You really are an idiot. He just posted, on the SAME page, that he no longer has this theme and that people should stop posting. Yet you come in here and post anyway, just to add to your post count. Why are you even on this site..?
