Thread: [Choose Your Character! \(Name-Change Event\)](#).

SewDough - May 17, 2011, 7:14 am

Alright, so as the previous thread [here](#) had Code Geass listed as the winner based off of user votes.

This thread will be made to choose which character you're using.

It's first come-first serve.

I'll choose lastly, strictly because I'm fine with whatever.

Character List:

Lelouch Lamperouge

Suzaku Kururugi

C.C.

Nunnally Lamperouge

Kallen Stadtfeld

Rolo Lamperouge

Arthur

Milly Ashford

Rivalz Cardmonde

Nina Einstein

Shirley Fenette

Sayoko Shinozaki

Kaname Ohgi

Shinichiro Tamaki

Kyoshiro Tohdoh

Shogo Asahina

Taizo Kirihara

Kaguya Sumeragi

Rakshata Chawla

Ayame Futaba

Diethard Ried

Li Xingke

High Eunuchs

Jiang Lihua

Genbu Kururugi

Mao

Naoto Kozuki

V.V.

(Find the images yourselves, you lazy bastards.)

So, anyways, once you choose your character (And for the love of god, please read EACH post in this thread to make sure your character hasn't been chosen.)

I will update the original post with who is going to be who, etc.

You will need the following:

*Your username to be changed:

*A signature / avatar combination of said character:

Good luck. KGO.

Character Reservations:

YUKI.N - Kallen

Ryuku - V.V.

Tasemu - Lloyd Asplund.

Skaii - C.C.

Zimton - Nina Einstein.

Sync - Lelouche

OneandonlySunny™ - Kaguya Sumeragi

Edit: Also, Nyx-, can a sticky be in order until this is finished? (One weeks' time).

Professor Pantsu - May 17, 2011, 7:17 am

I think I will go with Kallen.

Sir Neko - May 17, 2011, 7:21 am

Naruto had the same amount of votes?

(May 17, 2011 07:21 AM)Neko~Nyan Wrote: [\[CITE\]](#) Naruto had the same amount of votes?

SewDough made a post about that. He said that we will not do Naruto, because to many of us are hipsters are would refuse to do the name change, if Naruto won.

Quote:Naruto is hereby nulled.

Sorry Naruto fans, but the majority of the users participating won't want to participate.

Sorry again, but it's just how it is.

Those are his exact words.

Ryuku - May 17, 2011, 7:37 am

I like the sound of V.V.

I can't change my sig though until the 24th. Wait, how long is it for again?

Tasemu - May 17, 2011, 7:38 am

He is not in the list you supplied by the looks of it but i would like to reserve Lloyd Asplund.

That's fine. I don't know all of them off the top of my head, so if you notice any others gone, just post 'em and I'll add them.

Yeah, I have nothing against Naruto, but there were multiple (More than 10 via PM and Thread) complaints about it.
Also, the majority (3/5) of the people who voted for it are in fact unable to change their username.)

I should have made it more specific, but sorry, that's how it is.
If no one participates, then it would've blown.

Yes - May 17, 2011, 8:33 am

I think the problem with this though is that some of the names are pretty mundane and normal, members who don't watch this Anime will not recognize the significance of it.

Average if your Japanese lol...

I bet theres like a million 'Milly Ashford's' out there.

Tasemu - May 17, 2011, 8:36 am

But you also change your avatar and/or sig to reflect the character.

Ohh lol missed that part.

Sir Neko - May 17, 2011, 9:06 am

Why the fuck would you put Naruto to the poll, if you won't use it, even if it wins. That is fucking stupid.

SewDough - May 17, 2011, 9:12 am

It was suggested.

Then, later, people complained.

It's just like how you would remove a product from your store if a bunch of people complained about it.

And also;

Are you really that mad because Naruto got removed?

You didn't even vote for it, lol.

God damn. Calm your ass down.

Skaii - May 17, 2011, 9:21 am

I would like to choose C.C.

SewDough - May 17, 2011, 9:28 am

Updated the OP with your reservations.

Sir Neko - May 17, 2011, 10:19 am

I would like to be "Nina Einstein."

Whether you like it or not; Since the creation of animeFAN!, Anime Adventures has been more active.

But then again, you mainly just lurk.

So no worries. :P

You're just mad bro. <3

Oh, and FYI: This contest has nothing to do with animeFAN!, at all.

Anyone that can change their username and is active in Anime Adventures is welcome to join.

Get the votes in from other people that participated, and I'll change it.

I had nothing against Naruto winning; It was because of other users saying they'd drop out that I cancelled it.

iProfit - May 18, 2011, 5:04 pm

this game looks interesting :3 hope everyone has fun participating :D
