And I mean JUST started. Went into chat ave, got one message so far. Don't think I'm going to try for money yet and just hone my manipulation skills instead.

So, where do I go about getting a pic/vid pack? I see free pic packs... But not so many videos! I feel like it would be much easier if I had a vid of the girl I'm pretending to be, lol.

Also, what's with the partner thing I see here? Is it easier to sucker guys into paying if you've got a fake friend or something? If so, anyone want to partner up with me?

MrHoek - May 19, 2011, 6:23 pm

JaZart - May 19, 2011, 6:25 pm

It's hard to get the videos. I guarantee JaZart is going to give you a video of a blond chick that everybody has.

Balls.

Is there anywhere to BUY videos or pics? I wouldn't mind paying a few bucks for quality material. A few guys have already offered to pay once I send non-nudes, so I think I'm doing good.

Halp please, I want money!

Getting nudes is so easy. Look around this section. As for videos, it's hard as fuck to get nice ones.

JaZart - May 19, 2011, 6:46 pm

I do have that vid, but I have two others lol.

I started last night and earned \$5.

Evil Stewie - May 19, 2011, 6:56 pm

You can make a small investment, about 60\$ on a few naked accounts so you can make yourself the video. You pick the girl you think people will like most and you will make the video exactly how you want it to be. That's how I do it. Good luck!

Ohhhh, clever! Feels like I could do the same thing on something like myfreecams, etc. Thanks for the awesome advice bro.

So, since I can't get a vid for the moment... Anybody got any tips on getting guys to pay you just for pictures? Told the dude I couldn't get my cam to work, and he said he didn't want to pay unless I had a video -.-

Just made \$25 from pictures and about to have \$10 more. Keep trying you will find someone who will pay.

Honestly, it's one of the most fun things I've ever done on the internet. Trollin' these dickwads is fucking HILARIOUS. Even while not earning anything I'm having a fuckin' wonderful time getting these dudes horny, then being like "nop sorry i really gotta pay for this parking ticket i cant do free shows :(*log off*"

JaZart - May 19, 2011, 7:33 pm

Lol, one good tip is to start a convo and try to seem like a "good, sweet" girl. That way they'll be more turned on by making u say dirty things and will be more willing to pay for picx. :)

That's what I've been doing, seems to work incredibly well. Though guys get turned away because I don't have a vid.

Guess I'll be paying for some credit on MFC pretty soon here to get myself a vid :/

They aren't really all over the place, but they do have a few for sure.
