WTF.Its Everywhere.NO INDIANS.

I can't apply in any f#\$@ing exchange group.Simply because I'm from India.Tell me,do clicks from all the other 194 countries,pay more than Indian clicks.

MONEYKINGS.ORG - May 21, 2011, 7:25 pm

PM's sent for everybody.

Sorry for that bro.But I cant help the CPC rates from india are quite low .

Yes 70% of 194 countries have better cpc rates than india.

Thanks for your intention.

One condition we implemented is that

You need to refer 10 non indian people to the group then you will be in our group.Hope u understand .

Dont want to butt in to ur thread... looking good but, they will ban you before pay out day.

They run ip rotation script, if that same IP clicks the links daily/weekly. They will ban your account on the 60th day of 1st payment.
