iLesboHD - May 21, 2011, 7:42 pm

Heres the final copy of my program. Techinque offers 7 features ranging from playercard makers to email spammers. I hope you like.

Note: You must register and login to use the features. Capital letters in the username and password do matter

Technique includes the following:

- Black Ops Playercard Maker
- Xbox Live avatar Viewer
- Facebook Wall Spammer
- SMS Bomber
- DoS Tool
- Port Scanner
- Email Spammer

tubby1 - May 30, 2011, 6:42 pm

Awesome tool dude, nice work.

HorriFi - May 30, 2011, 10:18 pm

Hey man thanks alot the program actually works.. well most of it.. the Dos doesn't work, nether did the port scanner for me at least but the rest worked and I was REALLY supriised the SMS Bomber worked! If you wouldn't mind sending me the source to that ;) Great program man, 100% Clean and 80% of it works. Thanks <3 - HorriFi

dude2410 - June 2, 2011, 3:06 pm

VERY nice! Im diggin the tool, worked nice for me

Boo. - June 2, 2011, 3:10 pm

Does the SMS bomber work in the UK bro? :) Overall the program looks great definatley bookmarked.
