Will there be a limit? I don't want my ad to be in the middle of 500 ads!

We do it on a week to week basis, by monthly I assume you mean every 4 weeks on each?

Currently LR only because people could simply chargeback after their ad was in the news.

Praefectus - May 26, 2011, 5:38 pm

Have we gotten any buyers yet? If we haven't I'm surprised.

DragScope is GONE :(- May 27, 2011, 11:21 am

Qwazz please pm me or Aim me bro

I can make a deal with you!

Qwazz - May 27, 2011, 11:34 am

Pluto - May 29, 2011, 12:16 am

If I had something to advertise, I'd use this. The HF news gets so much traffic itself haha. Good luck with this service.

Praefectus - June 2, 2011, 10:54 am

For the next edition, are you going to make a new thread or just keep this one?

Qwazz - June 2, 2011, 12:06 pm

Just keeping this one cobalt.

Praefectus - June 18, 2011, 8:18 pm

This will really boost your sales. At \$7 at the most, this is a steal!

raamee - July 13, 2011, 10:56 pm

How about paper print the news and selling? This could make more money.
