Thread: [BlackShades Cracked or anyother Cracked Software ?](#)

Heisenberg Walter White - May 23, 2011, 5:14 am

Hello guys ,
my question is , am i allowed to post any stuff i cracked ?
i mean , is it allowed ?
for example blackshades or Nemesis crypter ?
just a question ..
thank you guys

No, because the sellers of both the products are Ub3r members over here.

You will get repfucked as well as warning from staff!

No I don't think so.
I'm sure you would be banned for this act.
And I doubt you want to piss off certain people.

Youve posted it in 10's of threads

Do not trust this user, it is more than likely infected if you downloaded it head over the the white hat section
