Thread: [Clipping Mask Tutorial](#)

So Fucking Classy - May 23, 2011, 6:02 pm

First tutorial, i think clipping mask is something people have trouble with and should learn!

The Gaming Addict - May 24, 2011, 9:13 pm

That's a fucking classy tutorial! 10/10!

HAMC - May 24, 2011, 9:54 pm

Very good tutorial for begginers, Great layout and easy to follow, good job Classy, nice contribution :)

alisamer60 - May 25, 2011, 5:29 am

cool tutorial....

i was lookin to learn about this ..

thank you very much ?

thanks man appriciate it :)

Nov - May 25, 2011, 6:59 pm

Easy to follow and good for someone like me just starting ps :)

DreamH4X - July 29, 2011, 11:10 am

Woah, classy this is amazing! Thank you for this tutorial.

pseud0 - July 30, 2011, 4:01 am

You should have also included that they are especially useful for Adjustment layers!

Good tutorial hopefully the noobs paid attention!

Whiskey - July 30, 2011, 11:02 am

I Already knew this but i like the way you were creative and didnt just use it on text!
:Thumbsup: ?

Blazon - July 30, 2011, 4:26 pm

You should've included the shortcut where you just press alt and click between the layers. Good tut though, very useful. ;)

DGisRIPPIN - September 22, 2011, 6:04 pm

This is exactly the kind of tutorial I need to get good at PS.
Thanks :)

S?kid - September 24, 2011, 7:16 pm

GReat TuT bro a lot of n00bs really needed this

Tando - March 10, 2012, 11:53 pm

Very good tutorial mate props bro :)
