Thread: [Selling Lots of MineCraft Accounts!](#)

**OwnedTom** - May 24, 2011, 4:45 am

I have recently come across a way for me to get a lot of MineCraft accounts. These are all hacked so they might not last very long but I can try to get email access for the account for a little extra fee.

Hacked account - \$0.70

Hacked account with email access - \$3

Current Stock:

Hacked Accounts: 22

Hacked Accounts with email: 3

I am doing giveaways for them too, but if people can't wait to try and win on they can buy one instead.

Really? A brand new account is \$21. I'm selling these for 1/7 of the price. These accounts are as good as new if you secure the email well enough.
