This thread has been dedicated in the name of the Red Lions Upgrade Contest!

This tutorial was inspired by the Red Lions and Nokia2mon2's generosity!

INFO

Hey guys, this is my third official give away. This time I'm giving away the accounts UB3R@w.cn and UBER@w.cn, obviously I'll be giving priority to UB3R members but if you give me a very good reason of why you should get this I'll give you a chance on the contest.

I'm remaking this thread because I'm giving it a twist, also for the lack of participants.

Now you have 1/5 chances of winning.

theplague99 you are still in the contest, good luck

How can I enter the contest?

UB3R members will enter automatically, just choose a number between 1 and 6 and post what email you want if you win.

Form:

Code [b]Preferred email if I win:[/b]<UB3R@w.cn/UBER@w.cn>

[b]Number for the contest:[/b]

At the end I'll choose the winner using Random.org and I'll post a screenshot of the winner number.

[FOR L33T and Normal members]

Remember, this contest is made for UB3Rs for obvious reasons, but I don't like to letting other members out of contests, so if you really want to enter I'm giving you a chance, just post a very good reason of why you deserve this, what email do you want if you win and what number would you like.

Here is the form to make things easier:

Code [b]Why do I deserve this:[/b]

[b]Preferred email if I win:[/b]<UB3R@w.cn/UBER@w.cn>

[b]Number for the contest:[/b]

What if the two winners want the same email?: I'll give priority to the first winner.

Nice effort on your entry mate, but you misunderstand me with the email field, it's not any email, just UB3R@w.cn or UBER@w.cn.

Anyways I'm making an exception, check your PM's for a special gift (;.
