Devil Hack3r - May 25, 2011, 1:49 am

Hello All?

Share Cash ReUpload Service

Ok Now I have decided to start this free share cash downloading service.

For using this free service all you need is to post your share cash link here with your comment.
and after that i ill upload it On Mediafire Or # Or On Fileserve.

You will get your download within 24 to 48 Hrs or whenever I will have spare time...

Note:I will not upload any infected files.If user try to make money by downloading his/her file it is not possible so don't try that & The file size should not be much bigger.And don't ask for any links related to share cash downloader.

I'm not sure if you also can do file1ce surveys, but I PMED you one anyway. If you cannot do file1ce thanks for trying anyways because I always have trouble with these surveys. May I ask whats your technique when it comes to doing these surveys because I also do them and it does not work.

P.S. I know i'm a low rank on HF and I don't mean to leech because I also have helpful guides in

the White Hat section. Thank you!

EDIT: Oh shit I didn't realize how old this thread is, Sorry LOL
