Thread: [Msn Hack Tools \(mega pack updated\)](#)

-spider- - August 26, 2009, 3:31 pm

[IMG][http://i30.\[censored\].com/28hj56o.jpg](http://i30.[censored].com/28hj56o.jpg)[/IMG]

This pack includes:

mess-mania v1,2,3,4

booters/flooders

freezers

Keyloggers

phishers

Email bombers

status bombers

Cam trojans

nick bombers

Dp steelers

Contacts maker

source codes

And much much more...

Note: Don't Complain about trojans, there is some programs in this pack that are indeed trojans, in order for them to work. Like webcam trojan ect. If you don't trust it, don't download it!

http://#.com/files/271828004/Msn-Hack-_Pack-Part2.zip

Joey K - August 26, 2009, 3:34 pm

Post scan results. Just to see what's in there.

Sixem - August 26, 2009, 3:38 pm

Looks great, thanks for sharing, trying it out now ;)

WhightKnight - August 29, 2009, 7:05 pm

could you PLEASE list which ones are trojans so we don't use those parts of the pack (to keep ourselves safe).

Sorry if I am completely wrong and being an idiot (noob).
Thanks for the pack!

EDIT: I get error when trying to unzip.

iCrackz - August 29, 2009, 7:14 pm

If your so paranoid scan each file with <http://www.novirusthanks.org/>.

hugsyou - August 30, 2009, 9:00 am

Downloading it now. Fuck my anti-virus..it doesn't pick nothing up, ever. /:

Btw how did you make that picture? :D

LADLK9K9 - August 30, 2009, 9:05 am

here it is, hope it helps

Report file date: zondag 30 augustus 2009 18:05

Scanning for 1668725 virus strains and unwanted programs.

hugsyou - August 30, 2009, 9:09 am

^ In other words.. it's safe.

WhightKnight - August 30, 2009, 12:50 pm

could I get assistance on why this does not unzip properly o.O

hugsyou - August 30, 2009, 2:18 pm

(Aug 30, 2009 12:50 PM)WhightKnight Wrote: [\[CITE\]](#) could I get assistance on why this does not unzip properly o.O What do you mean? What's the problem?

When I downloaded i had to unzip all the files individually.

jacika222 - August 30, 2009, 11:35 pm

thnkzzz..... :D

kaygen - August 31, 2009, 4:21 am

Avast are all time "crying" virus virus. Archives are infected (N)

SØMNIUM.EXE - August 31, 2009, 4:22 am

Downloading it now, -spider- you have everything awesome here! ?

ToXiiDe - September 1, 2009, 3:44 am

this is filled with keyloggers up the wazzu dont download

Anubis - September 1, 2009, 4:29 am

ThanXXX man.....

HacksYou - September 1, 2009, 5:10 am

hey thanks for these, goina try them nw :)

devilsadv - September 15, 2009, 12:43 am

luks cool....

gt c it....
thnx

delta81 - September 25, 2009, 4:08 am

wow man thanks this is some extreme shit u got here

Durst - September 25, 2009, 5:23 am

thank you dude
cool pack

gjtc - October 2, 2009, 11:14 am

what? keyloggers? ...?

hivekiller - October 6, 2009, 9:03 am

i trust spider-man , his our friendly neighbourhood...XD

MadGod - October 7, 2009, 6:27 am

nice!!!!I'll download it now!!!

nicoinlove - October 7, 2009, 8:42 am

There are only Trojans in these applications, do not run !

hinster - October 7, 2009, 9:26 am

your system might have protecting the unknown threats... deactivate it for some times..... and test it on other's not on yourself..

Jon&zy - October 28, 2009, 1:45 am

thanks looks interesting think i might have to download this :P

Anubis - October 28, 2009, 5:32 am

ThanX...broo.....would rep but cant

-spider- - October 31, 2009, 12:41 pm

(Oct 7, 2009 08:42 AM)nicoinlove Wrote: [\[CITE\]](#) There are only Trojans in these applications, do not run !

you can provide proof of this statement ?

anubisbrandon - October 31, 2009, 8:00 pm

how do i use the messenger fun? and are there any msn freezers in there? THAT WORK?

rexios - November 1, 2009, 2:26 am

thanks dude good post..

Prettykitty - November 1, 2009, 2:28 pm

Awsome pack spider!
will use in the future

slashcross - November 1, 2009, 3:14 pm

cheers mate this helped a lot

well not helped but it was fun

Valour - November 5, 2009, 3:29 am

thise are from spider
no problem

niels8500 - *November 5, 2009, 11:06 am*

damnit man i have no RS premium =(

I_aashu_I - *November 8, 2009, 7:24 am*

jus outta curiosity, what is a cam trojan?
