Thread: [DDoS Service - Worm/Spreader Service](#)

ZemilirKovac - May 25, 2011, 11:59 am

Hey,

I'm offering two services now,

DDoS Service-

Type: Botnet

Online bots: 600+

Rate: Hourly(price is open to offers)

Minimum of 1 hour and max of 72 hours(per week)

I can bring down small/medium sized websites and servers.

Price: PM me your offer.

Worm/Spreader Creation-

Type: Worm - Downloads from URL - Email/Torrent/MSN/LAN/RAR

Extra Features: PHP Logger/Antis/Block AV Sites

Price: \$5.00

PM me if you're interested,

Kind Regards,

YoGeneral

Vouch, great thread thank you!

ZemilirKovac - May 25, 2011, 3:56 pm

Anyone else interested?

Kind Regards,

YoGeneral

Service still open!

Kind Regards,

YoGeneral

I vouch for YoGeneral.

Bought from him 400 installs and he went first. Transaction was smooth and everything is working. This user is awesome :)

I VOUCH ! :)
