Thread: [\[COOL\] BATCH ART \[COOL\]](#)

TIPSYQUO - May 26, 2011, 9:50 pm

okay i was really bored and wrote these up to pass time
they are both pretty cool ;)

this is a gun that flashes once every 3 seconds

to simulate a bullet being fired. preety neat

Code @ECHO OFF&SETLOCAL ENABLEDELAYEDEXPANSION

Batch art seems to be getting popular..

Anyways check out Picascii.com

You can upload pictures and it will convert it into text that you can copy into a batch file.

from the looks of it forever but really only takes a few minutes

ucantwin - May 30, 2011, 4:09 pm

those are all really cool and it does look like it took really long.

Danny28 - June 11, 2011, 5:34 pm

Very Nice. It freaked me out when it went red, and yellow....and blinked. :) Nice!

chocolate99 - June 13, 2011, 3:16 pm

prety sweet ima use in txts
