Sadly I dont have previews for the following tuts, but Ill describe them ;)

[WALL-E TAG TUTORIAL](#) - This is my most popular tutorial

[KILLZONE TAG TUTORIAL](#) - This is my second most popular tutorial

[SAILING AWAY TAG TUTORIAL](#) - This is a random tutorial, I dont think its good, it has 1800 views though :S

[APOCALYPSE TAG TUTORIAL](#) - One of my better, but ugly, tutorials... It has okay explanations and uses okay effects, but looks like crap xD

enjoy ;D

EDIT:

Spoiler ([Click to View](#))

and because my last tutorial topic was gunned down by 2 users that thought these tutorials weren't mine, I would like to say the following:

THESE TUTORIALS ARE MINE, I CREATED THEM, DON'T CLAIM THEY AREN'T AND -REP ME.

because that was seriously sad.
