Hi guys,

as title says..

i have again started my FUD crypting service after a long vacation ?
my old thread : <https://hackforums.net/showthread.php?tid=1066827> ..

u have to just do :

1st post here...and then PM me ur server link.... and the RAT/keylogger name... from which the server is builded ?

My Prices:

per server : 1\$

5 servers : 4\$ [u save 1\$]

10 servers : 8\$ [u save 2\$]

for 2 month FUD support : 15\$

for 4 month FUD support : 23\$

for 6 months onwards : not decided yet

i accept

Liberty Reserve, Money Bookers, Alertpay

FlyingWings - May 28, 2011, 8:26 am

can you crypt my server for free as vouch ? please

Rizzle - May 29, 2011, 1:28 am

vouch for this guy , crpyted my server for free :)

working like charm
