Thread: [Free Facebook accounts. For UB3R or L33T only.](#)

BlackGold™ - May 30, 2011, 7:03 am

Hello i am giving out facebook accounts(active with a lot of friends) 2 for each person just pm... and i will tell you the country the account belongs to so you can change your ip to it. Because facebook won't let you go in the account if you are from a far distance..

And if anyone is willing to upgrade my account to (HF l33t, ub3r...) i will give him over 1000 accounts

This is for UB3R or L33T only.
