Thanks DevDeeg Hope you like it and got what u wanted (Jun 3, 2011 12:49 PM)SaNk™ Wrote: [\[CITE\]](#) vouch, I helped him work on this and its 100% Legit.

sank is a grat dude man

25 charictors i am still selling guys messege me when you guys want it hit real hard

Dooqii - June 3, 2011, 5:56 pm

After having this booter for around 1 day now, I can tell you that the buy was worth it. Still hits extremely hard, I've been able to take out people off Xbox for hours, and IWILLFRYU has great support! Keep up the good work!
