then whats the point of posting it here?
you think anyone will have pity on you and upgrade you?
or just increasing post count?

KiD CuDi™ - June 4, 2011, 9:26 am

Excuse Me? First of all the spelling of pity is wrong, second I don't want anybody to 'Pity' on me and give me a upgrade, I can get one for myself, Thank You, and as for increasing my post count, can't someone express his views openly here?

Shekhar - June 4, 2011, 10:50 am
