Thread: [\[\\$15\] Removing PayPal Limitations \[NO FRAUD\]](#)

**Xenon** - June 5, 2011, 9:57 am

I'm offering my service to remove limitations from PayPal accounts using a non fraudulent method I discovered. This does not involve using fake information or adding bank accounts/credits cards. I take a few minutes to call PayPal and then your account will be unlimited. I do not offer this service for accounts that are permanently limited.

Price: \$15

You can also just PM me and we can arrange the deal.
