Thread: [\[FREE\]\[PHP\] Sexy Booter Source \[PICS\]\[HOT\]](#)

0xE9 - June 11, 2011, 7:47 am

Today i am releasing this booter source that my friend gave me i am not sure if this has been released before but it is a lot better then Tyler 777's source or all the modded ones, and prodigy's, this comes all ready, and a SQL Dump for your database.And here are some pics:

This source have a lot of exploits, not many features and is compatible only with orgy shells. (leaf.php)

0xE9 - June 11, 2011, 8:30 am

orgy shells? is that green UDP?

robbanrobban - June 11, 2011, 8:31 am

awesome tool bro thank you very much

This is not Orgy's Source (Correct if I am wrong) so with this source it's possible to use both noraml UDP & TCP Shells.(Green Shells etc...)

But I thought this source was a private one?

But isn't this source private?

This is orgy's source stupid ... He just change the look of it .

Xirian - June 11, 2011, 10:27 am

Thank you, I will try it.

Dem?n - June 11, 2011, 10:39 am

Hey man, could I please have a copy of this source.

vb0xed - June 11, 2011, 10:46 am

thanks man , will try when i have time :)

I have seen another Source that is familiar with this so I thought it wasn't but this looks very nice!

0xE9 - June 11, 2011, 11:28 am

the link is under the pic

Swish - June 12, 2011, 1:33 am

When I upload all files and when I go to the booter I just get error.

Any one got this source to work?

S4NGOKU - June 12, 2011, 12:15 pm

ahah nice this source it's good guy ;)

0xE9 - June 12, 2011, 12:27 pm

S4NGOKU Dude stop posting for post count, and keep pming me asking for a botnet, i never even made a thread or said anything about that.

G-Star Raw - June 12, 2011, 3:24 pm

Thanks mate! :) Gunna download this later on.

Klonopin - June 17, 2011, 7:21 am

Shit source exploited and Tyler777's v2 source is from scratch but a gui is the same prodigy stole the gui

Turmoil - June 17, 2011, 7:38 am

Lol. dont even bother, he wants your url exploits cough

Already took it over so :D

SIM-599222 - June 17, 2011, 6:12 pm

You want my URL for 50 free bots eh? More like there's either a backdoor in the source, or you're going to exploit my site. LOL.

R.. - July 18, 2011, 6:27 pm

There is various backdoors in this source, I think this user needs to be banned.

WhyYouRedBar - July 24, 2011, 8:03 pm

if u want a booter hacking tools and more go to my website <http://adf.ly/29ez1> have fun
