Can I have crisply please? (;

I think I deserve it because I need a gamertag and I have been looking for something like this. I have given away a few gamertags myself and I would enjoy one for myself.

I would like the Jurassic one please. I deserve it because I have contributed a lot to the forum, including many giveaways.

Could I please have crisply. I have been a high quality member and have give alot of xbox and porn accounts (when porn wasnt against the rules) to members. I have worked my way up from being a new member to a high quality member. This would be a sick name to play on xbox live. I would really appreciate it if you gave it to me. It would be very ? :) Thank you for the giveaway it was very nice of you to do it
