I'm so happy lol, I thought she wouldn't start walking for a while.

The Trend - June 16, 2011, 6:13 pm

Ha congrats. My sister started walking around 3 years and 4 months.

Renowned - June 16, 2011, 6:50 pm

Haha, I remember my little brother couldn't speak/walk until he was 4 years old.

Evil. - June 16, 2011, 6:52 pm

Lol Congrats bro, ha I rember when My Little brother started walking.

Nice I guess. Oh no don't post a funny ass video of a baby cussing or face planting into a wall post it walking... jks man but Congratz!

Truth Hurts - June 17, 2011, 3:55 am

Girls usually start walking around 1 and half years old.

Addictionz - June 17, 2011, 4:09 am

@ Truth Hurts, my sister started walking at the age of around 2 and a half, never heard anywhere between 1 years old, maybe its true though, anyway congratulations and it is always exciting seeing children accomplish.

That's awesome :)

I started walking and talking at 8 months. Which is extremely abnormal, the doctors said I was fast developed.

Maybe your life was so horrible you wanted to run away.

@OP, congratulations lol.

Different kind of brag's that were used to see in here.

Anyway, congrats with it :)

iphone® - June 18, 2011, 7:29 pm

Nice.. I needed around one year to start walking when i were little :)

iTzL1GhTs0uT - June 18, 2011, 7:34 pm

Congrats man! I hope I had a small sister. I have a big brother, call him my sister :P lol

Destabilize - June 18, 2011, 7:43 pm

...I ran laps inside of the womb :P

and I was swimming long before I was born :)

but congrats man... glad to hear everything's going well :)
