Deleted because I am no longer working on this project.

H3x0S - June 16, 2011, 7:15 pm

It actually looks amazing! Minimalistic but great!

Aeonhack Archivist - June 16, 2011, 7:17 pm

Thanks for the feedback. I am glad that you enjoy it. I will be posting this theme by the end of the night hopefully.

.Astro - June 16, 2011, 7:30 pm

It's really nice.

Reminds me of sort of a Facebook GDI theme.

Sapientia - June 16, 2011, 7:31 pm

Really good, and definitely looks like facebook!

eXero - June 16, 2011, 7:32 pm

This is impressive! You should keep going with it and make it good!

Cody8295 - June 16, 2011, 7:56 pm

I was expecting a download link for 1519 different VB.NET themes. Nonetheless, good work.

Haha...Sorry about that. Thanks for the feedback though.

Kousha - June 16, 2011, 8:04 pm

For a sec, I thought the background was the theme

Jash - June 16, 2011, 8:12 pm

I liked it, but not your avatar, so disgusting.

Aeonhack Archivist - June 16, 2011, 8:44 pm

Updated post with link to download and a new demo picture.

Xieru - June 16, 2011, 9:28 pm

Title is sort of misleading. Thought a shit load of themes lol.

Aeonhack Archivist - June 16, 2011, 9:34 pm

Updated title so it isn't misleading, but now it sounds odd.

Coleak - June 16, 2011, 9:47 pm

Nice work sir, actually looks legit. Hope to see some more themes from ya.

Account Type Null - June 16, 2011, 9:49 pm

Looks very modern, I'm really digging it.

Aeonhack Archivist - June 16, 2011, 9:53 pm

I am so happy you all enjoy it. I am currently working on a second theme, but I will keep updating the FaceBook theme.

Hell Guardian - June 16, 2011, 10:24 pm

Very nice mate

Good job...as usual :)

Aeonhack Archivist - June 16, 2011, 11:39 pm

Posted preview for new theme: Web 2.0

Madotsuki - June 16, 2011, 11:40 pm

Images not working.

s3t32t2efds (too short).

Thanks for telling me, I will reupload them to my site.

EDIT:

Images should work now.

EDIT 2:

Updated preview of Web 2.0 theme.

Immortal - June 19, 2011, 12:43 am

I like them but ima troll a lil form should have been rounded on web 2.0,

these are awesome for a begginer I plan on learning GDI+ soon :D

Doctor07 - June 19, 2011, 1:54 am

Very nice themes buddy, That facebook one has to be my favorite, simply because its simple and professional.

Eclipse - June 19, 2011, 2:47 am

These themes are very impressive! (: .But the thing is, you could possible improve them if you made them like Aero Themed (:

Hey Look Behind You - June 19, 2011, 3:38 am

Hey how did you made that video into image? O.O
does camtasia supports it?
