Setting up Cybergate RATs and/or Portforwarding

Have you tried all the tutorials, or just to confused by the technical jargon? Well, then I can set-up your Cybergate RAT for you! This service will include many things, such as a spreading method, a E-Book on the best way to spread your Rat, a quick rundown on how to stay anonymous and to not get caught.

Prices.

- RAT Setup and Portforwarding, includes E-Book and all! [3\$]
- Portforwarding [2\$]
- Spreading Tut and Anonymous guide - Only for noobs - basic [1\$]

Info:

- This is my first sale thread, so first buyers should vouch for me after service!
- I guarantee you will be satisfied or your money back [1 Week Guarantee]
- No refunds without proof-of dissatisfaction (Picture, Problems, Ect.)
- Must be patient, may take any where from 15 Min to 1 Hour 30 Min!

PM for details (Paypal, service request, and the such...)
