Thread: [Win money and a moderating position!](#)

20MDM - June 20, 2011, 11:47 am

By following the two steps below you can win some money (PP) and a moderating position.

Step 1: Sign up with my referral link <http://techprime.net/member.php?action=register&referrer=16>

Step 2: Once you register make a few posts in sections. Introduction thread are not allowed.

Step 3: Post below the username you created. Each username you register gives you one entry (unlimited entries).

Rules:

1. You can enter as many times as you want / create as many accounts as you want under the referral link.
2. Contest will end in less than one week so enter as soon as you can (it might end tomorrow).
3. Winner will be picked by Random.org. Entering more usernames will give you a better chance of winning, so create as many as you want.
4. Only one winner will receive money and the moderating position.
5. All accounts created must be validated via email.
6. Each account must be registered under a unique ip.
