PART 1: (legit way)

WARNING: LONG POST

I just got my check today (started last month). I just spent around a week to do this, most of the time is thinking about how to earn money with this. Actually, I worked on this about 1 hours/day. When I reached minimum payout, I stopped because I want to see if this program really paid (most of money from my fraud ways ?). So, today I want to share this method with everyone. This money making is just exactly the same as Ali thread, but it's different program. And I can sure that there are more guys will make you earn a lot money than the last one since it directly focus on "the-most-wanted-thing-that-a-man-want". But you can choose what program which suitable for you and you can apply Ali's method, too. (@Ali: your method is great, I also apply your ways in my program ^^)

Proof

SO LET'S GET STARTED

1. Go to <http://www.adultfriendfinder.com/go/g1135284-ppc> and sign up for an account (yes, it's my referral link) you will lose nothing ^^ . Besides, this is the most interesting sign up way that you never ever seen ^_^ . TRY IT!

[img]http://farm4.static.flickr.com/3418/3895710484_2eaa7cbb2a_o.png[/img]

You can use fake information but your email must be real because they will send your password to your email address

ok now you log in to see how their site work(recomment 18++) ^^ (YOU CAN SKIP THIS STEP, BUT IF YOU THINK YOU ARE NICE, PLEASE DO THIS TO SEE THE MOST INTERESTING SIGN UP) ^^

2. Sign up an affiliate account at <http://adultfriendfinder.com/go/g1135284-brk>

[img]http://farm3.static.flickr.com/2628/3894926199_e67209091a_o.png[/img]

a. when windows open there is 4 types of membership, it is CRUCIAL important to sign for 1st called "Option I - Per-Click Program - Get paid for each click" (there is image that says "You can earn up to \$1.00 per unique visitor, and you can click on that image to it is the same) but like I said crucial is to sign OPTION I, because my system works only with affiliates that are in that option.

b. On a new page where you will be redirected choose in first box called "Preferred Program:" to "Click-Thru (Up to \$1/unique IP/day)" and enter rest of your data (important is to enter your real data so they can send your earnings (check - or see part 2 for other payment way) to you address, so you can cash in in 5 minutes in every bank on this world. In this step it is IMPORTANT TO CHOOSE option "1. Click-Thru(Up to \$1/unique IP/day)"

c. then You are redirected to last page in sign up process, where to check "I agree..." box and click

submit, and you are registered affiliate of this beautiful money making service!

You are now part adult friend finder affiliate network (adult site that You signed to promote) and you will be paid \$1 for every unique visitor who came from Your affiliate link. Great isn't it? Actually it is \$1 for male and up to \$5 per member who is female. (I will show you how to earn up to \$5 just for sign up in part 2 ?)

The key here is why people want to sign up under you. Well people intensively seeking dates, sexual partners,etc,etc. Member who came from your link and sign up as FREE member makes you \$1 (and up to \$5 if member is women; but ok, we will be focused only on mans for now)

First, you need to find your referral link and write it down:

[img]http://farm3.static.flickr.com/2627/3895710624_1814bca9b6_o.png[/img]

Now you should create a new gmail account try to name it as a girl name, make it hot (for ex: laura_cute0306@gmail.com) ^^

(prepare your auto pilot - AUTORESPONDER)

Login into your gmail account. When You are in, click on "SETTING". You will see a new page where you find a section "Vacation responder:" here you will have to check the option "Vacation responder on".

You will find the fields "subject" and "message". Here you can fill in a message that will be automatically sent to anybody who sends a message to your email. It is very important to write this message on a right way. I will show you an example:

Code SUBJECT: Thanks for contacting me

Hi,

Thanks for your reply to my ad. I hope you're the one I am looking for.

Could you please register for free at <http://your-affiliatelink-here.com> (link that you wrote down, your AFF refferal link)

Once you have done that please send me your profile ID sweetie. It's important that you sign up so you will see there some of my other photos and clips and also full profile with cell number. I hope you're not 60 yrs old..... :-P

Your sweet Marry

Or you can make up your own email if you think that this one not work well with you. Try to make people interested in your way of talking.

OK now you are ready to make money by make people sign up.

[POSTING ADS TO RIGHT PLACE AND RIGHT PEOPLE]

HINT: find a cute and sexy looking girl's picture (use google)

This is what you need to do 1-2 hours daily for about \$100-\$200 daily (not at starting of course). You need to post right ads on right places and then just see the increasing of your incomes. Don't be lazy work for at least 1-2 hours daily in the first week, and when money start coming don't stop! People often make this mistake because they made their first few hundreds and than stop. Your income stream will go down to \$0. So you just need to be disciplined and post,post,post, every day for at least 1-2 hours,and I will show You where and how. Classifieds have limited lifetime, so You just need to add new,and new and new. And that is the only thing that you need to do every day. I think it is not to much for \$100 or \$200 for that day or maybe even more. You will have to make a bunch of ads into a text file, combine, be creative. The more you work, the more ideas you have, the

faster you can earn.

REMEMBER, MONEY IS NOT EASY TO EARN WITHOUT EFFORTS!

Code Example: Hi,

I am Marry and I am looking for nice guys in New York. If you have good personality and are between 18-35yrs please email me at <Your GMAIL EMAIL ACCOUNT> coz I am so lonely and need some fun with confident guy.

Ok, this ads is just a short one, and maybe it's not so effective, but I don't want to share a good one because everyone will have the same ads and it's won't work anymore. So try to think for yourself a good & sexy comment to make people feel interested. I think it's not difficult.

Interested mans will send a mail to your GMAIL account, when you receive that mail you don't even need to look at it because we set up AUTO PILOT who answers immediately with the message that You composed in autoresponder. The person receives that message in his inbox and think that Marry really replied to his message and he is interested because Marry like him and he follows the link from "Marry" (your) email and than he is on the Adult Friend Finder free sign in page (under your affiliate ID because followed your affiliate link, and he thought that is Marry profile) after he signs in for free membership because he wants to see Marry pictures or clips.

You have now \$1 in your account, you don't need him anymore he made you \$1 and you are waiting for the next happy guy who wants to see Marry. GREAT, isn't it?

Here is a list of free classifieds (you can find more), try to choose big cities because there is a lot people there who will see your ad. You need to repost your ad every time they remove your ad. just spread your ads and post,post,post and watch money rolling in.

OK, you have all information that you need to make money. TRY to work hard and don't be lazy.

NEXT: see my fraud way to earn even more in part 2 ? (im writing, it's too long already)

P/S: So why the heck should we do the legit way, that's because you have to maintain member activities that signed up under you (1 over 20 mems signed up must active). Or else, your account will be converted to percentage program, which pay you only \$0.3 per man and \$1.5 a women (still good, right? ?)

So when you combine these two, you'll earn even more.

[UPDATED] * PART 2 *** FRAUD WAY****

Remember to use legit way first in few days! Or if you want to see if this really works, just sign up for 1 account only, make it slow or else you will get banned.

Code INFO:

Note: We routinely review every profile and have a programme to determine whether a profile is legitimate or not. We will not pay anyone who is caught cheating and we will bar them from the entire network. [color=#FF0000](my f@^#king way is work ?) ^^[/color]

You must maintain the traffic quality of 1 free member in 20 clicks and 1 paid membership in 25 free members at all times or else your account will be converted to the Percentage Programme.

The key here is sign up as a group of 2 women.

[img]http://farm4.static.flickr.com/3432/3895938384_6d92b9588f_o.png[/img]

and you will earn up to \$5 per sign up. The easiest way is go to public computer like in library, internet cafe, internet games... and sign up under your refferal link. In my case, I used microworkers to make people sign up under me, I make about 15 people that signed up under me. I'm not sure if this program allow at microworkers anymore because I was banned by using multiple account ^^ and they don't allow me to sign up anymore.

I did about 5 accounts of group of women over 25 account total signed up because I don't want to get noticed by them and I succeed. So, try to make it like 15 man (\$15), 5 women (\$10), 5 group of women (\$25)*, see, you have \$50 with just that (mine is 25 total signed up and \$58.02) don't know who signed up but at least 10 is from mine ?.

**hint: every library in university will limit download by using proxy, try to find them and switch. for example, my university is LT Uni, they use this link to config proxy

<http://proxy.universityname.edu.au/proxy.pac>

I opened the file proxy.pac and I found 4 different proxy that they are using like:

squid.uniname.edu.au

squid2.uniname.edu.au

squid3.uniname.edu.au

squid4.uniname.edu.au

ALL PORT 8080

I KNOW MAYBE IT'S DIFFICULT FOR YOU :P

So I just change the proxy in my browser and sign up under my refferal link ? (however, this method can work only once :sad)

I don't want to make my post too long so here some other method that you can apply:

- Use VPN (virtual private network)
- Use proxy switcher programs - Make sure it works for you.

Ask your friend to sign up. Almost men will do ^^ . I even don't need to explain why with some of my friend (boys), they saw the pic and they joined ?. 1 of them asked me, where to see pic and video, dude? ?

- Use traffic exchange, some site allow Adult contents, they may sign up when see the page (low effect)

- Use facebook, twitter with auto get followers

...

OK, that's all of my post. So you must do both legit way and fraud way for easy extra money. By using proxy method with fraud ways, you may feel it's complicated to do, but with \$1 - \$5 per sign up. It's really really worth that ^^.

* HOW TO RECEIVE MONEY FROM THEM *

To receive money, you must fill in W-9 tax form (for US citizen only) or W-8 tax form if you are not US citizen. I don't know about W-9 form becaus im in Aus, but I think it easy.

[img]http://farm4.static.flickr.com/3480/3895139539_69dc39bdea_o.png[/img]

Since if you're not US citizen, just keep part II

Sign and fax to them (408-745-5680) at post office, this number can be found in the tax form (it's cost me 5 AUD) don't know how much it will cost you.

Or you can apply for a master card like in Ali's thread (my post is long enough).

ENJOY MAKING MONEY!

N00bH@ck3r - September 6, 2009, 10:56 pm

Paraphrase? I dont wanna read that.

Sky_King - September 6, 2009, 10:57 pm

Thanks for the guide man :) Although I'm having success per free signup :3 You know some people are making thousands of the par per signup program?

N3oP4L4d1uM - September 6, 2009, 11:03 pm

They only pay per check ?

Vegetto - September 6, 2009, 11:04 pm

Edited. If you don't want to read, just following the phrase in "red" color.

Like I said, it's the same as ALI's thread. So you can order Payoneer Master Card to get paid with this (will update in part 2). They pay by check every 1st and 15th of the month, since I'm from Aus, it's take more than 2 weeks to come to my house.

Believe me, this is one of the best guides at the forum, this beats PTC in every way possible, so stop being lazy, read the guide and get out there and make some money.

itouchmaster - September 6, 2009, 11:23 pm

sky_king is right this beats ptc in ever way possible

Sky_King - September 6, 2009, 11:47 pm

Also, you can't just post ads like that anymore! The internet is full of ewhores, you need to put your own twist on this method (like all others) for the maximum results.

Vegetto - September 7, 2009, 12:01 am

yeah, you can try Ali's method with new facebook account, twitter account with auto get followers from weshkid's thread (try to find hot pic in google), one of my twitter account with bikini pic get a lot of followers, however I didn't use this for a long time since I sign up :|

@All, thanks for the comment! You right when this forum have a lot of way to earn money, but some of them don't have payment proof and difficult to earn if you don't invest. Here, we invest nothing but time.

Yes, of course it is. And that is why I state that you have to put your own twist on the method or develop some new ones, which isn't saturated.

Vegetto - September 9, 2009, 5:28 am

Another tip: If you want to see your money faster, you can create a thread in HF to make a chain of refferals, you can sign up for each other (remember to use different email account for every different sign up - make it random, don't focus for only women :0). you will see the result ^^ . And you should create traffic (unique IP) by posting your affiliate link somewhere on traffic exchange sites.

Actually i earn about 100\$/month (all sign up is mine ?) cause i don't have time to advertise. And i don't want to earn so much because they will notice me.

Just use some proxy to sign up and boost traffic for several days. \$100 each month is enough to me :P. If anyone signed up under me, pm me for the auto boost control (tell me your ID: g*****)

I will send to you. you can use this to boost traffic with proxy.

7. Payment of Commission

You will be paid commissions on an approximate monthly basis as further set forth below. Approximately thirty days following the end of each calendar month, we will send you a check for the commissions earned on Net Sales of Memberships sold and numbers of Free Trials generated that month, less any taxes that we are required by law to withhold - however, if the commissions accrued to you for any month are less than \$50.00 (the "Commission Payment Floor"), we will hold those commissions until the total amount accrued is at least equal to the Commission Payment Floor. The Commission Payment Floor is subject to change at any time or from time to time. You will be notified of any change in the Commission Payment Floor via email and/or posting in a revised agreement and/or posting on the Site and/or in another method in our sole discretion. If you have not earned or accrued referral fees in at least the amount of the Commission Payment Floor in the six-months prior to any given semi-monthly payment period, then we reserve the right, in our sole discretion

without notice to you, without waiver by us, and without any liability to you, to charge you thereafter an account maintenance fee in an amount up to \$50 per six-month period. The account maintenance fee charged will be deducted from your unpaid accrued referral fees, and will be equal to the lesser of \$50 or the amount of unpaid accrued referral fees in your account.

DON'T SIGN UP IF YOUR NOT GOING TO DO ANYTHING.

They Will Charge You \$50 every 6 months.

Good post, Vegetto! So basicly I could also just spend all the time signing up under my own ref link with diff IPs and make like \$1000 p/m? :o

(dayumn that's alot of money)

I've also heard that for every 20 (or what the amount may be) sign ups there must be at least 1 that orders something? Or is that another program?

StoneWash™ - January 1, 2010, 6:52 pm

Love you op.....I just made 4.46\$ in one day.....Thank you very much...

xbladeinc - January 1, 2010, 7:26 pm

TheCableGuy - January 2, 2010, 11:26 pm

I had 10 unique members for just 0.05 \$... not too good! but working on it

(Sep 28, 2009 11:39 PM)Vegetto Wrote: [\[CITE\]](#) yes, anywhere in the world! they will send check to you!

Actually i earn about 100\$/month (all sign up is mine ?) cause i don't have time to advertise. And i don't want to earn so much because they will notice me.

Just use some proxy to sign up and boost traffic for several days. \$100 each month is enough to me :P. If anyone signed up under me, pm me for the auto boost control (tell me your ID: g*****)

I will send to you. you can use this to boost traffic with proxy.

I signed under you , send me a PM ... I can't right now , I don't have 5 posts !

TheCableGuy - January 3, 2010, 6:25 am

Hey, i`ve got some problems. First, when i want to sign up, it says that the email provider it`s unstable. Whatever i`ll put there it says the same. I`m from Romania, could this be a problem, i was thinking that they doesn`t accept romanians for affiliate stuff. Waiting for a reply. Great method anyway. 10x

mKn1ght - March 31, 2010, 3:35 am
