Thread: [Voting: June 2011](#)

Judge Dredd - June 23, 2011, 6:39 am

We have our finalists for the past month. Check this thread for more info on MOTM. You can take the next 5 days to vote for whoever you think was the most contributing member last month.

The main qualities you should focus on should be:

- Posting high quality threads (tutorials, tools, etc.)
- Helping members out
- Politeness and good grammar
- Activity

But you can also take in consideration your personal opinion on other ways the member might have contributed to the site. Feel free to post in this thread noting your reason for your vote, but it's not necessary.

The voting is public and will go for the next 5 days.

Good luck ;)

Glassy - June 23, 2011, 8:19 am

Good luck to all members that are in this contest.

Nightmar? - June 23, 2011, 8:21 am

How is Deities up there? He doesn't fit the requirements.

Pluto - June 23, 2011, 8:34 am

Oh my god, this is the hardest decision on MOTM yet. I still can't choose.

Tha Sneak - June 23, 2011, 8:36 am

How does flamingw0rm have 29 votes already and it has only been 2 hours? Suspicious.

Starburst - June 23, 2011, 8:38 am

Holy malware, that's a lot of votes in a short amount of time. This contest is already over.

Morchid - June 23, 2011, 8:40 am

Out of everyone on that list flAmingw0rm is a really respectful, responsible and trust worth guy.

Ethereal - June 23, 2011, 9:05 am

(Jun 23, 2011 08:21 AM)Nightmar? Wrote: [\[CITE\]](#) How is Deities up there? He doesn't fit the requirements.

He has more than the required number of posts(in total, at least 1/2k+), but he regularly prunes them.7

Flamingworm seems to be getting an insane number of votes in just a couple of hours. Doesn't seem right to me.

King James - June 23, 2011, 9:06 am

Good luck all. There's some deserving people up there.

The GRim - June 23, 2011, 9:09 am

flAmingw0rm Deserves This.

M A Big Fan Of Him :D

flAmingw0rm - June 23, 2011, 9:13 am

I love the drama that's going on here.. I never asked anyone to vote for me neither will!

I didn't even know about the poll, a guy told me on MSN a while ago.

It was me I guess. ?

H0p.e - June 23, 2011, 9:36 am

Someone has to be asking for votes for him, that many votes already is unrealistic.

He's an awesome member and if he wins I think he deserves it, but still.

??¢??? - June 23, 2011, 9:37 am

Why is it that i am never a part of this ?

You need to be nominated. The members listed in the current poll were nominated here:-

Well, it's not my fault. I never told anyone to do that. But I don't think anyone is doing that as well, people just voted themselves.

They just cant accept that someone is better than them, I guess.

Dr.BrokenGod - June 23, 2011, 10:15 am

I voted for Joey since he helped me once and I love Friends!

and I just noticed I don't know anyone from the list lol!

Robert Nesta Marley - June 23, 2011, 10:25 am

A really tight shortlist, a few stand out for me right away, Xypher, Volenar and Wolves are ones I have noticed quite allot lately but flamingworm deserves it basically cause it's well overdue, this guy would be a candidate for member of the past 2 years so yeah..flamingworm :)

Even if it is someone else, you shouldn't be allowed to continue. Even though you aren't breaking the rule, it is an unfair advantage.

Considering you have 40 votes already, I'm going to be brutally honest and point out that you wouldn't have gained a lead so quick if someone hadn't been asking for you. There are many just as HQ and/or more HQ members there, who IMO deserve more votes than yourself.

Arsenal FC - June 23, 2011, 10:44 am

flAmingw0rm deserve this more than anyone else.

Moralitas - June 23, 2011, 10:47 am

Funny how HJT members are always on it. Good job Virtual, and Volenar, you noobs. My vote goes to a great friend, flAmingw0rm. It's about time you get this, I've seen you active ever since my first do on HF.

Wow, I'm flattered to have as many votes as I do.

With myself and two other of my favorite members up there, I will not be casting a vote at the moment as I cannot decide between Xypher and Deities.

I can't believe Flamingworm has so many votes.

I'll continue doing whatever I can to help the community and my groups.

Good luck to all, but Flaming seems to have this in the bag.
