Thread: [\[25 Credit\] Imlive account for free \[GUARANTEED\]](#)

?????I?? - June 23, 2011, 3:05 pm

Hey guys i recently made an IMLIVE account and bought 25 credit with \$25. Now dont ask me how i did that..

So i know that most people scams people by telling that they have account which has imlive credit in it, but later u find out it has nothing.

So here i made a video to make it clear, that i am 100% legit.

As i had to work hard for getting 25 imlive credits, but still i am giving it out for free. Just you have to do a simple survey to download the login info.

Download the login info from [HERE](#)

Fuck off with this crap! Its just survey spam, where you have to sign up for a weekly contract!
