<https://hackforums.net/showthread.php?tid=1359824>

<https://hackforums.net/showthread.php?tid=1311940&highlight=Fraud>

I know this isn't allowed but it was a PP acc for \$3 LR

As soon as he gave me it he logged off, when i checked the PP it was limited

Calls me an idiot saying its my fault even though i used a clean SOCK from someone on my RAT THAT NO ONE ELSE had after even using a botkiller and physically going into their PC checking.

Asked him for compensation just started to flame me calling me an idiot then logged off.

No one deal with this kid.

Could you link us to his profile.

+Pirate - June 24, 2011, 1:19 am

1. Link to the scammer's profile. This is to prevent confusion if a username change occurs.
2. Link to the thread in question if it exists where you may have been scammed.
3. Search Scam Reports area for any existing threads with the scammer. Search by username and also uid. If everyone adds the users profile then UID will be very effective.
4. Post any images/screenshots that you can provide as evidence of the scam. Best option is to use the spoiler tags for images.

Can you follow that layout?

Doesnt explain the other reports + I'm not saying anything about him getting banned just warning others if he can scam for this, he can probably scam for way more.
