nice I may use it! Thanks for this release.

gmeister4 - June 25, 2011, 7:21 am

Thanks for this, but im having trouble with the surveys thingy... it wont proceed

St. Jiberish - June 25, 2011, 7:24 am

Doesn't adf.ly block proxies? Just wondering.

Vendicative21 - June 25, 2011, 8:16 am

Im sorry but i dont trust this download.

I dont trust even the virus scan im sorry, even if its on the website link.

Im gonna investigate on this.

Looking at your posts.

Searched for : Binders

And : Rapzo

then posting an Adf.ly bot?

Sounds suspicious.

It can be FUD, it maybe be clean.

But im sorry i wont trust it.

I tried it and doesnt seem to be working for me.

Error Message:

25/07/2011 01:45:37

Cannot access a disposed object.

Object name: 'WebBrowser'.

badlyfar - July 24, 2011, 6:51 pm

God damn if you are so sorry about the surveys, then why the fuck would you use them? lol

Funhouse - July 24, 2011, 6:55 pm

So, it uses WebBrowsers... That's not very functional.

ISOForest - July 24, 2011, 6:58 pm

Yeah iv had it running for about 2 hours (using differant proxy lists) and without. And iv got no clicks

WhyYouRedBar - July 24, 2011, 7:54 pm

if u want a booter hacking tools and more go to my website <http://adf.ly/29ez1> have fun
