Thread: [Gamers Group Deleted](#)

Omniscient - June 27, 2011, 5:53 pm

The gamers group is now deleted.

The crew forum is now open to everyone as "The Gamers Lounge".

PedoBear - June 27, 2011, 5:53 pm

why has it been deleted :O??

Qwazz - June 27, 2011, 5:54 pm

I saw the group was inactive and left yesterday. How ironic.

Wolves - June 27, 2011, 5:54 pm

Well, I must say that was unexpected.

I suppose this is due to lack of leadership, watching, and growing spam?

Kondry - June 27, 2011, 5:55 pm

Will you be opening another group to fill the position, Omni?

Chocothunda - June 27, 2011, 5:55 pm

Sad to see it gone. It was quite inactive although. Thanks for informing us.

Never - June 27, 2011, 5:55 pm

Ya I kinda saw that coming. They were not very active.

Tim Joe - June 27, 2011, 5:56 pm

:(sad face I was going to apply for them to lol

Mermaid - June 27, 2011, 5:56 pm

Wtf? They were just picking up too.

H??????a X™ - June 27, 2011, 5:56 pm

Okay, I want a new userbar, since you took one from me. I think admin will do fine, Omni.

Wolves - June 27, 2011, 5:56 pm

That, my friend, is a good question.

I doubt it, User groups are such a hassle for Omni nowadays.

With two new groups being paid for, I doubt he'll want to make another.

Genequil - June 27, 2011, 5:56 pm

I'm kind of sad to see it go. It was really inactive though.

?ntel - June 27, 2011, 5:56 pm

I'm honestly not surprised. Applications have been open for like a month with no acceptances.

Zach - June 27, 2011, 5:56 pm

I'm glad my crew is the most active on HF, sucks for gamers.

Morchid - June 27, 2011, 5:56 pm

Oh that sucks, that was the only group I was a part Of. :(

TiME FLiES - June 27, 2011, 6:00 pm

The applications were to be accepted tomorrow and we just started to pick up the group. /:

alfonzo1955 - June 27, 2011, 6:00 pm

You shouldn't be in it just for the userbar.

That's only an opinion.

LinK - June 27, 2011, 6:01 pm

This is awful. Can I pay to start gamers back up again?

As for Zach, he's Zach.

Quite frankly, I say each sub group make their own gaming topic and run with that.

I guess in two months when I have the money for it. I will start it back up if omni lets me. I still see the "Gamers Crew" posts. I dont think they were junked

eXero - June 27, 2011, 6:06 pm

All posts in the gaming crew sub forum for crew members only and threads were moved to DEAD section.

It actually isn't, it's factual. 75+ posts a day, literally.

Terence McKenna - June 27, 2011, 6:14 pm

Well, seems like it was quite an inactive group, making way for The Informers and Reverence.

Excalibur - June 27, 2011, 6:17 pm

thats unfortunate, thats what happens when u kick me from the group

Rippin™ - June 27, 2011, 6:38 pm

The group was starting to get more active imo. Lots of HQ members in that group.

Barneyyz™ - June 27, 2011, 6:40 pm

Well, it's unfortunate. However, I just applied.

Half of the Gamers Crew didn't even know you existed in the group because you never posted. You made a big deal and started a thread to get some attention ?

I have nothing against skids, but they don't even use there sub-section.

I hate skids. Only because 99% of them think they're doing something important or skillful.

Livewire - June 27, 2011, 7:10 pm

It was an inactive group. Glad to see space is being freed up.

Everybody is a skid at some point.

You don't come out the vagina with ubuntu and some 30K botnets.

Quiet. - June 27, 2011, 7:11 pm

Omni, you have to make a webmaster group. Shit'd be dope. If I had 2K, that's what I'd buy.

Not really butthurt lol. Just don't see the point of the group being around. If a group doesn't contribute anything to non-group members, then I do not see the point.

Nihilty - June 27, 2011, 7:16 pm

Hopefully this is a movement towards elimination of all groups.

I've applied to one ever since I've been here and it was via userCP just being stupid.

TBH groups are pointless outside of L33t/Ub3r.

Might as well make the forums open to everybody or nobody.

I think if managed properly they serve a purpose.
