Southern Proper - June 27, 2011, 6:09 pm

lol @ the video :p but okay.

H0p.e - June 27, 2011, 6:09 pm

Haha, fitting video Omni.

Also, does this mean the cost to buy a group will raise? I'm in a group that was thinking about trying to become official (We're planning on getting 2k).

Wolves - June 27, 2011, 6:09 pm

Something so glorious, only a video good capture the devastation, eh?

S70N3R - June 27, 2011, 6:09 pm

Someone's either drinking or just on a roll.

Tay - June 27, 2011, 6:09 pm

Finally, that group was useless.

Kondry - June 27, 2011, 6:09 pm

Ha, Omni, haven't seen you like this in a while :P

Morchid - June 27, 2011, 6:10 pm

Someone needed to take out the trash thanks. They didn't accepted me because i'm not there race. Thank you :)

eXero - June 27, 2011, 6:10 pm

Your on a role Omni!!! Keep 'em going! :P

Mr. Cash - June 27, 2011, 6:11 pm

Glad to see you're cleaning up a bunch of pointless inactive groups!

Will and Integrity - June 27, 2011, 6:11 pm

Lol I didn't get the point of the group anyhow. Funny video Omni.

Ruzlier - June 27, 2011, 6:11 pm

Omni, you could have told us you where going to do this before so I had time to get popcorn and a drink and sit back and laugh at all the but-hurt people..

.Astro - June 27, 2011, 6:11 pm

Damn, I wonder what other groups are getting deleted.

Wolves - June 27, 2011, 6:12 pm

Hopefully he stays away from Black Knight's we are finally getting our shit together for recruitment,

lol.

Zach - June 27, 2011, 6:13 pm

Didn't speak English anyways, good move.

Qwazz - June 27, 2011, 6:13 pm

Black knights. Next right?

Morchid - June 27, 2011, 6:14 pm

I'm looking forward to joining this awesome group. I've heard good thing about Black Knight group.

Wolves - June 27, 2011, 6:15 pm

I'm stalking Omni's profile like I imagine others are, waiting for the next group to go.

H??????a X™ - June 27, 2011, 6:15 pm

Having fun there, Omni? I wasn't in that group, but since you took away another potential userbar, I think Mentor will go along nicely with Admin.

Insidious - June 27, 2011, 6:16 pm

I agree with your decision Omni. They were very racist (Phillipinos only) and IMO, rather a useless group on here. Thank you for destroying this awful group.

Ruzlier - June 27, 2011, 6:16 pm

What the hell was the point of that group anyway?

.Astro - June 27, 2011, 6:17 pm

It feels like Malvager or GM is next in line if he decides to get rid of more groups :l

Mermaid - June 27, 2011, 6:18 pm

Although I didn't agree with deleting the Gamers, I think this was rightful. It was basically a group for a certain race.

LinK - June 27, 2011, 6:22 pm

If you pay for a group....Would he delete them if they weren't active, or would you be in the safezone?

Omniscient - June 27, 2011, 6:23 pm

These were not paid groups. Moot point.

LinK - June 27, 2011, 6:24 pm

Good good. That means I will pay for one now :p. If you let me Omni. I will restart Gamers soon :p

Zach - June 27, 2011, 6:24 pm

Omni, as long as a group is active, contributes to HF, does not cause you problems, and handles recruitment, will they stay open?

You're going to throw him a few Benjamins his way soon, roughly 2k to start up a recently dead group. Nice!

LinK - June 27, 2011, 6:25 pm

Nah. I throw georges and lincoln's, :p Actually it will be all electronic.

Edit: Roughly 2k, lol it is 2k.

LinK - June 27, 2011, 6:26 pm

I work for a living. Lol thats where I get all my money.

Omniscient - June 27, 2011, 6:28 pm

I'm not against the group. But why waste resources on one that's nearly leaderless. Assumption is that an expensive paid group will be treated with appropriate care.

The Gamers and Philkers should have been deleted months ago but I just held off. Given 2 new groups were added it seemed appropriate to cut them loose.

I like The Gamers group though :(.

Charles - June 27, 2011, 6:31 pm

Why wasn't Philker a paid group? Kind of a silly one to make free of charge :P

Back when the site was smaller and problems were fewer, I imagine user groups weren't as much of a hassle.

I sure hope it doesn't raise. The price is already really high as it is. Will the price raise though?

Barneyyz™ - June 27, 2011, 6:46 pm

This is true, I was rolling on the floor laughing, yet somehow still typing.

These were unpaid groups, I don't see why he'd raise the price tag.

Nightmar? - June 27, 2011, 6:48 pm

Ever since I've joined, I saw nothing of this group. I'm surprised it wasn't deleted May of last year.

The Philippines used to be a U.S. Territory we got it after we fucked the Japanese up....but we gave them independence and English to modernize them in the Western Civilization. Just so you know.
