Net Email Spider Full Version for Free?

[IMG]<http://lulzimg.com/i23/b630a8.jpg>[/IMG]

Here's How YOU Can Collect THOUSANDS of
Highly-Targeted E-mail Addresses Online...

Using the World's Most Popular E-mail Spider!

Want to collect e-mail addresses for your projects, yet simply don't have the time?

- Need to locate hundreds of new customers & affiliates?
- Want to find joint venture partners on a mass scale?
- Trying to locate link partners, but getting NOWHERE?

Then you absolutely need to check out Net E-mail Spider!

Net E-mail Spider is the world's most popular (and intelligent!) e-mail harvesting tool. It enables you to retrieve thousands of targeted e-mail addresses from the Internet – in just minutes.

No more hours of searching!

It's simple to get started. Just provide Net E-mail Spider with a couple of keywords. The program will then begin searching Google and Yahoo! for those keywords, and visit each Web site in the results. As soon as it finds an e-mail address, it'll add it to your list.

It can EVEN outwit e-mail protection scripts and “broken up” e-mail addresses!

Net E-mail Spider is your ultimate business partner. It now takes just seconds to uncover a new wealth of customers, attract another thousand affiliates, or rocket your search engine ranking with link exchange campaigns.

It's the ONLY tool of its caliber – and, best of all, Net E-mail Spider costs LESS than the price of a decent lunch!!! (Or for HF-ers -FREE?)

Mutes - November 3, 2011, 7:26 am

Dear Guido,

I absolutely hate spiders. EWW. I'm not sure why you'd offer a spider to go into my email. That's absolutely horrible. Not too long ago, I was in the bathroom doing my business. While I was on the toilet, a spider crawled beneath my feet. I screamed so loud that I flew off the toilet. This left a huge mess in the bathroom that I had to clean up! It was the worst mess I had ever seen in a bathroom. All of that because of a spider. Another mess I saw once was when I worked at a strip club. When it closed it was absolutely horrible to clean up. There was sticky stuff on the seats. BLECH.. What a mess. But the fact that you're giving a net to catch the spider with makes me feel a bit better. I just hope I'm able to catch it. Of course I wouldn't harm it. I'd release it outside to join other spiders. I wish you the best with this offer!

Regards,
Mutes
